

TOURETTE SYNDROME AWARENESS WEEK MAY 6th—12th 2007

Book Donation Programme

For TS Awareness Week the TSAA is promoting a book donation programme, for you, its members, to purchase a copy of "I Can't Stop!" and donate it to your local school or public library.

This is a simple but very effective way to **spread awareness in your local area** which will help with understanding and acceptance in the **community where YOU live.**

"I Can't Stop!" is a beautifully illustrated, 32 page, full colour, hard back book. This positive story is about a family's journey beginning with their son discovering he has Tourettes, and following his experiences learning about constructive ways he can manage his condition through doctors visits, school issues and more. The journey will be a familiar one for many of us and is accompanied by a helpful nonfiction page dedicated to parents and teachers.

Thank you for being part of Tourettes Awareness Week 2007. Your participation will have long lasting benefits for those with Tourette Syndrome.

To order "I Can't Stop!" :

- Please make cheques payable to, and post orders to 'The Tourette Syndrome Association of Australia' P.O. Box 1173 Maroubra, NSW 2035
- To order online, go to www.tourette.org.au and pay via Paypal
